PROJECT TRANSPORT

Project Transport is your specialist for shipping from the U.S. mainland and Canada to Hawaii, Guam, the Pacific Islands, and Alaska. Our nationwide trucking, intermodal, air, and vessel networks provide you with true door-to-door shipping services. We handle most types of freight, including less-than-container load (LCL), full-container load (FCL), break-bulk, oversized and heavyweight cargo. We also have the expertise to handle your most ambitious, demanding project shipments.

Providing you with the highest standards of shipping service is our number one goal. Highly experienced, professional and friendly, the Project Transport team is focused on your shipping needs, from first contact through final delivery. All our services can be customized to meet the exact requirements of your company. No matter what services you need – ocean shipping, air freight, detailed consolidations, custom export packing and crating, meeting to-the-minute delivery appointments, or providing complete project logistics management – we make it happen!

The Project Transport team doesn't just strive to meet our clients' expectations, we strive to exceed them.
