

PROJECT TRANSPORT

It's as good as there!

PROJECTS

Project Transport is your specialist for shipping from the U.S. Mainland and Canada to Hawaii, Guam, the Pacific Islands, and Alaska. We handle most types of freight, including less-than-container load (LCL), full-container load (FCL), roll-on/roll-off (RORO), break-bulk, oversized and heavy-weight cargo. We also have the expertise to handle your most ambitious and demanding project shipments.

Our Commitment

Providing you with the highest standards of shipping service is our number one objective. Highly experienced, professional and friendly, the Project Transport team stays focused on your specific shipping needs, from initial contact through final delivery.

*With Project Transport, **It's as good as there!***

HOSPITALITY

Aulani Disney Resort & Spa

With its grand opening in August 2011, this resort includes 350 hotel rooms and 480 vacation villas. This 21-acre beachfront property also features an 18,000 square foot spa and an 8,000 square-foot convention center.

Honua Kai Resort & Spa

Located on 38 oceanfront acres of Kaanapali's renowned North Beach, Honua Kai is the first new whole ownership condominium to be built on Kaanapali in over 25 years.

Moana Pacific

This high-rise condominium complex, located in the Kakaako region of Honolulu, was completed in 2007. It is located on a prime six-acre site and consists of twin tower buildings.

Keola La'i

Keola La'i was completed in 2008. This condominium high-rise community is located in the heart of Kakaako and boasts spectacular views and amenities.

Westin Princeville Ocean Resort Villas

Westin Princeville opened in April 2008. The resort is situated 200 feet above Anini Beach on Kauai's North Shore.

Hali'i Kai at Waikoloa

Located in the beautiful Waikoloa Beach Resort, this oceanfront island home community was completed in 2007. It is built along the Waikoloa Beach Golf Course and is adjacent to the Hilton Waikoloa Hotel.

Sand Island WWTP- Biofilters

The Sand Island Wastewater Treatment Plant is the largest wastewater treatment facility in the State of Hawaii. In 2009, Project Transport shipped complete odor-elimination towers to SIWWTP.

Kapolei Judiciary Complex

The Kapolei Judiciary Complex, which opened in 2010, features a 123,118 square-foot court building and a 52,306 square-foot juvenile detention facility.

Hawaii Regional Security Operations Center (HRSOC)

Completed in early 2011, this new \$300 million dollar facility comprises 250,000 square feet and is situated on 70 acres at NCTAMS PAC headquarters.

Port Allen Generating Station

In 2009 and 2010, Project Transport shipped electrical infrastructure for KIUC's Port Allen Generating Station. This facility provides about 75% of Kauai's electricity.

Honolulu Int'l Airport Modernization

Ongoing until around 2020, this grand project is estimated to cost just over \$2 billion. Among Project Transport's involvement is the shipping of mechanical infrastructure and equipment for the airport's busy Overseas Terminal.

Ewa Makai Middle School

The new \$61 million Ewa Makai Middle School was completed in late 2010. It is the Hawaii public school system's first completely certified "green" campus.

COMMERCIAL

Target Stores

In 2009, Target opened stores in Kailua-Kona and Kapolei. Project Transport played an instrumental role in shipping the buildings' structural components.

Waikiki Beach Walk

Waikiki Beach Walk was completed in 2007. Situated in a prime location of Waikiki, this development boasts an eclectic selection of shops and dining.

Kapolei Trade Center (Formerly Kapolei Spectrum- Phase II)

This 11.9-acre business/industrial condominium project was recently renamed "Kapolei Trade Center." Completed in 2008, this development comprises 93 units.

Nordstrom Ala Moana

In 2008, Nordstrom opened the doors to its first department store in Hawaii. This three-level store at Ala Moana Center encompasses 210,000 square feet.

Kukui'ula Village Retail Center

This new shopping complex is located in the sunny south side of Kauai. It is comprised of more than 87,400 square feet of shops and dining.

Gas Stations

Over the last decade, Project Transport has shipped underground fuel storage tanks, dispensers and various equipment for fuel stations throughout Hawaii and Guam.
